YOUTHFUL ENTRANT ELYTHE CARPENTER, adds finishing touches to a trial cake, in one of her daily practice sessions prior to her big day at the National Orange Show in San Bernardino, where she is entered in the Gas Oven Derby bake-off April 15.

Local Youngster Enters Cake Bake-off at Orange Show

Following in the footsteps of her mother, Mrs. Gertrude Carpenter, 2340 W. 255th st., Lomita, ten year old Elythe, a fifth grade student at Lomita Elementary school, has been entered in the Orange County Gas Oven Derby, where 110 bakers, compete in cake and pie baking during the ten day National Orange Show which starts April 10th in San Bernardino.

Mrs. Carpenter was winner of the national award for cake baking in 1955, with an orange torte. Her sister, Mrs. Hazelle Sabatella of Fawnskin, was the 1957 winner with an orange blossom naphkichen (coffee cake).

Contestants must use original recipes and produce their cake or pie, under the eyes of judges and other contestants as well as the public. Recipes must use oranges or lemons.

Little Elythe is the youngest ever to enter the contest, and will be competing with women who have had four and five times as long to perfect their baking ability.

She is working daily under the supervision of her mother and only last Saturday decided just what she would use in her recipe and how she would put the ingredients together.

"She is ready for the contest," says Mrs. Carpenter. "She was so anxious to enter last year, but I didn't feel she was quite equal to the competition. This year I know she is."

Friends Benefit

Elythe bakes a cake daily before leaving for school, and neighbors and friends help sample it. They agree that Elythe is most competent, and are perfectly willing to act as "pre-show" judges.
